

THE VOLKSWAGEN

# PASSAT

Volkswagen

Remember that kid  
who was always quiet in class?  
He's grown up into a fine young man.  
A man of few words.  
For he has nothing to prove.

He walks through  
yet another glass door.  
As a corridor stands wide-eyed.  
As a room sits tongue-tied.  
For the world can't help,  
but feel his presence.

## FEEL THE PRESENCE.

Introducing the Volkswagen Passat,  
packed with power and substance.  
Now, just your presence is enough to turn  
heads with our carefully crafted marvel  
of engineering and luxury.

HUSH...  
HE'S BACK.

**YOU CAN'T MISS HIM.  
OR IGNORE HIM.**

Every inch of the car defines your presence, that pervades through all aspects of your life. Bold, but not loud.

Tornado Shoulder Line

Signature LED Tail Lamps

R17 'London' Alloy Wheels

**HE WALKS INTO  
COLLECTIVE AWE.**

Those accustomed to making heads turn and jaws drop, can continue doing so with the boldly designed front grill. The confident full LED headlamps with DRL will make your presence shine from the shadows.

Full LED Headlamps with DRL

Signature Volkswagen Grill

**HE'S GOT INNOVATION  
AT HIS FEET.**

Your aura is enough to open the boot of your Volkswagen Passat. It comes with an easy open boot that opens with a simple wave of your foot and one-touch close technology.

Easy Open Boot

One-touch Electric Boot Close

586 Litres Boot Capacity

**HE DRIVES BY  
IN HIS AURA  
OF SUBSTANCE.**

That quiet air of refinement about you is expressed in the Volkswagen Passat with the sleek dashboard and the lavish interior décor.

Sporty Flat Bottom  
Steering Wheel

Analog Clock  
on Dashboard

Ergonomically designed  
Central Console

Soft Touch  
Dashboard

'Olive Ash Silk-Matte'  
Wood Inserts

**AH.  
EVEN THE STARS  
ALIGN FOR HIM.**

Stars, planets, opinions,  
all align in your presence.  
Now admire them from  
the sunroof.

Panoramic Sunroof

**HIS PRESENCE  
IS ENOUGH  
TO MAKE A  
STATEMENT.**

Your presence and the spacious  
leather seating surfaces in the  
Volkswagen Passat, bring class  
and elegance to the road.

Spacious  
Rear Seats

Centre Armrest  
with Beverage Holder

Nappa Leather  
Seat Upholstery

**AFTER ALL,  
AN ALL-ROUND  
PERSON DESERVES  
AN ALL-ROUND  
VIEW.**

Get a bird's eye view of things.  
Even the moving ones.  
Because, like you, the Volkswagen  
Passat with 360-degree area view  
camera also has an eye for things.

360-degree Area View, Rear View Camera

**HE PARKS,  
EFFORTLESS.  
JUST LIKE  
HIS ESSENCE.**

You manoeuvre through the toughest situations effortlessly. Quite like the Volkswagen Passat's hands-free parking with Park Assist.

Hands-free Parking with Park Assist

**ELECTRICALLY ADJUSTABLE  
FRONT SEATS**

Customise comfort with the electrically adjustable front seats that are shaped to optimise your body posture.

**REAR AC VENTS**

Adjust the climate as per your comfort at the rear seat with the rear AC vent. The 3 zone climate control allows you to choose from a selection of three different temperatures and air volumes.

**START STOP  
TECHNOLOGY**

You can also start/stop the engine with just a touch of a button, handily placed in the centre console.

## THE WORLD BENDS TO HIS WHIMS.

From speed to temperature, total control is at your fingertips.

### DYNAMIC CHASSIS CONTROL SYSTEM

DCC constantly adjusts the suspension characteristics to match the road surface and the current driving situation, in accordance with the preset vehicle settings.

### THINK BLUE TRAINER

Keeping the environment protection on top priority, it assists you in utilizing fuel more efficiently.

### INFOTAINMENT SCREEN WITH APP-CONNECT™

App-Connect allows easy interaction between your smartphone and car infotainment via Apple CarPlay™ or Googleandroid Auto™ that mirrors the display on your infotainment touchscreen.

## YOU REALISE THAT POWER NEEDN'T BE HIGH-DECIBEL.

The TDI engine technology with 177 PS (130 kW) of power and 350 Nm of torque gives an indomitable performance.

## HE SETS THE PACE. OTHERS FOLLOW.

The automatic 6-speed DSG lets you choose your speed.

**HIS FEATS ARE HIS SPEECHES.**

Built for those whose actions speak louder than words, in the Volkswagen Passat, safety is not just a mandate. It's the very philosophy that makes your car the safest car on the road.

**1 9 Airbags\***

Airbags reduce the risk of severe head and chest injuries in collisions with a certain severity. The activated airbags cushion the head and upper body, distributing the forces across as large an area as possible. Optimum protection can only be achieved if the occupants are wearing their seat belts properly, as the airbags and the seat belt tensioners together form a finely tuned safety system.\*

**2 Hill Start Assist\***

The hill start assist governs the starting torque when pulling away on an uphill incline. It interacts with the hydraulic brake assist and the transmission control to prevent the vehicle from rolling backwards. This makes controlling the vehicle simple and convenient for the driver.\*

**3 Engine Drag Torque Control\***

Engine-drag torque control prevents the driven wheels from locking due to the braking effect of the engine on slippery surfaces. This happens when the driver suddenly takes his foot off the accelerator or rapidly shifts down a gear.\*

**4 Electronic Differential Lock\***

The electronic differential lock permits smooth, comfortable starts on split-friction road surfaces with differing levels of grip. If one wheel starts to spin, the electronic differential lock will brake the wheel as necessary, directing power to the wheel with better grip in the process.\*

**5 Electronic Stabilisation Programme\***

The electronic stabilisation programme prevents the vehicle from being destabilised when cornering as a result of either excessive speed, an unexpected change in the road surface (water, ice, dirt) or the driver having to perform a sudden evasive manoeuvre.\*

**6 Anti-lock Braking System\***

When the driver brakes hard on a slippery road surface, the anti-lock braking system prevents the wheels from locking, so that the vehicle can still be steered.\*

**7 Anti-slip Regulator\***

For the high-torque engines, the traction control system offers more comfort and safety, particularly when driving on slippery roads or surfaces with differing degrees of grip. The traction control system facilitates smooth starting and acceleration over the entire speed range without wheelspin or fishtailing.\*

**8 Park Distance Control (Park Pilot)\***

The available Park Distance Control (Park Pilot) has sensors that help you back out of or drive into a parking spot. Audible signals and the Optical Parking System on the display indicate how much space you have in the front and back while parking. If you get too close, an alert sounds as a warning. The display provides additional support for the driver by showing the position of obstacles.\*

**9 Three Rear Head Rest\***

To reduce the risk of injury in rear-end collisions Three Rear Head Rest, offers excellent protection by means of unequalled coordination of the deceleration of the torso by the backrest, the deceleration of the head by the head restraint.\*

**10 Tyre Pressure Monitoring System\***

The tyre pressure monitoring system informs the driver of the current tyre pressures before and during the journey. The fact that the tyres are permanently monitored guarantees a high level of safety.\*

**11 Auto Hold Function\***

The Volkswagen Auto Hold function is an extension of the electronic parking brake. The Auto Hold function prevents the vehicle from rolling away accidentally when standing still or setting off. In this way, Auto Hold offers the ultimate in comfort and convenience, along with enhanced safety.\*

**12 Fog Lamps with Cornering lights\***

The static cornering light consists of an additional light source behind the fog lamp reflector. When the steering wheel is turned or the turn indicator is operated, an additional light illuminates the area into which the vehicle is turning.\*

\*Driver Assistance features are not a substitute for attentive driving. See Owner's Manual for further details and important limitations.

## ACCESSORIES

Roof Box, 340 Litres Matte Black  
Part No. 000-071-200

## Volkswagen Service for your peace of mind.

Owning the Volkswagen Passat gives you a sense of comfort and rightly so. Because with your Volkswagen Passat, you're privy to a host of service benefits that would give you all the comfort you need while you're on the road.

**Volkswagen New Vehicle Warranty:**  
 The Volkswagen Passat comes with:  
 New vehicle warranty of 2 years for unlimited kilometres  
 3 years paint warranty  
 12 years anti-corrosion perforation warranty

**Periodic Maintenance:** Service interval of your Volkswagen Passat is scheduled at every 15,000 kilometres or one year (whichever is earlier) and a one-time free inspection at 7,500 kilometres or 6 months, whichever is earlier.

**Volkswagen Extended Warranty:** New vehicle warranty can be extended at an additional cost for further 1 year / 80,000 kilometres or 2 years / 100,000 kilometres from the date of sale (whichever is earlier). Extended warranty can be purchased within standard warranty period with various buying options at attractive price benefits. All this to protect your car from unanticipated repair work. Extended warranty is not a mirror image of new vehicle warranty.

**Volkswagen Roadside Assistance:** Every Volkswagen car is registered for Volkswagen Roadside Assistance for the initial 2 years from the date of vehicle sale. This provides the vehicle with home or roadside recovery in the unlikely event of breakdowns across India (subject to terms and conditions). The services can be extended further for 1 year or 2 years and can also be renewed annually till up to 7 years at a nominal cost.

**24x7 Roadside Assistance Helpline:** 1800 102 1155 / 1800 419 1155.

**Volkswagen Insurance Programme and Drive Assure Elite Add-on Insurance:** Volkswagen Insurance Programme is designed to protect your car against the unexpected events such as accidents, natural calamities, theft and so on.

Our Motor Insurance Policy with Drive Assure Elite covers damages due to rodent bites, replacement of vehicle in case of total loss and wheel rim cover. It's designed keeping in mind all such unforeseen situations. So, your car is protected when you need it the most.

For more information, visit our website [www.volkswagen.co.in](http://www.volkswagen.co.in) or Volkswagen authorised service centres. A list of authorised dealers is available on the Volkswagen Website. Roadside assistance within covered limits.

**24x7 Customer Care Helpline: 1800 209 0909.**
