The streets will never feel the same again. Heads will turn. Jaws will drop. Heartbeats will race. And respect will follow. Just some things you’ll get used to, every time you get behind the wheels of the Volkswagen Polo. It’s powerful, it’s dominant, and ready for adventure; all, on your command.

Power, on command.
When a car comes with power this formidable, it shows. And in this case, effortlessly so. Take for instance, the smooth Front Grille, or the Dual-beam Headlamps that together make for a visual treat. The Body-coloured Door Handles, the chrome highlights on the air dam, make sure the car looks sleek from every angle.

But there’s more than meets the eye. Its Electronically Foldable Side Mirrors with integrated turn indicators can be adjusted automatically from your seat. The Dual-beam Headlamps and Front Fog Lamps come with cornering lights that are meant for additional safety.

And the Heat-insulated Glass on the side and rear windows are added to keep you cool. With the R16 ‘Portago’ Alloys, the Polo is ready to serve both, the tough and the trendy. You could say, it’s power that spoils the right way.

It looks like it has earned its stripes.
Inside, the Polo has many tricks up its sleeve. Starting with its mighty leather-wrapped steering wheel that is known to transform even the most lifeless of roads into exciting speedways. Its multi-function console at the centre, built to obey. That’s not all, the brushed-aluminium finish marks its powerful persona and the scratch-resistant interiors keep up with it.

Features and accessories shown may not be part of standard equipment.
Step inside and prepare to be awed. Keeping comfort and safety in mind, the Polo includes a new Auto-dimming IRVM that dims out any glare from vehicles that trail behind. In case of a sudden downpour, its rain sensor automatically sends out signals to the wipers.

From finely upholstered seats in a black-and-orange Splendor fabric, to the Front-centre Arm Rest and a Cooled Glove Box that keeps you company on hot days, everything about the Polo makes you feel at home. Those long drives on highways now become effortless with Cruise Control that helps maintain a steady speed. Take charge of the Multi-function Steering Controls that gives you complete authority to manage the radio, music and your phone with your fingertips. Its Reach & Rake Adjustable Steering Wheel allows you to modify as per your driving convenience. Apart from the driving controls, the dashboard packs Touchscreen Infotainment System, an advanced Multi-function Display and everything you need at the touch of a button. And if you’d still like to keep your hands free, you can make and receive calls through Voice Command, as well. Just connect your phone to its Multi-function Console using Bluetooth and click the Command button on the steering wheel to operate.
Rev the engine, make it march to the beat of your own drums. The 1.5L TDI Diesel Engine is a powerhouse of versatility. A 4-cylinder beauty coupled with a 5-speed Manual Transmission. The engine, also available in a power-studded 1.2L MPI Petrol option, is tailor made with surgical precision, so that you get maximum power out of minimum consumption.

1.5L TDI Diesel Engine
- 90PS (66kW) Power
- 230 Nm Torque

1.2L MPI Petrol Engine
- 5-speed Manual Transmission

Power, uninterrupted. Uncorrupted.

With great power comes even greater safety.

Nothing feels as good as a heady boost of confidence. Just why every Volkswagen out of the factory is a force to reckon with. Trusted, checked, re-checked and rigorously quality-controlled to accuracy. It comes in a high-strength steel frame, with Anti-lock Braking System (ABS). Seats nestled comfortably as you ride in a 100% galvanised steel body that’s enclosed by a laser-welded roof. As safe as possible (or probably even more). Equipped with Dual-front Airbags as standard, the Polo is the safest premium hatchback in its segment.
Overview

Sporty Steering Wheel and Cruise Control
Sleek Tail Lamps
Rear Indicators
Body-coloured Door Handles
Chrome on Air Intake Grille
Electronically Foldable Side Mirrors with Turn Indicators
Fog Lamps and Cornering Lights
‘Portago’ Alloys
Dual-beam Headlamps

Powerful 1.5L TDI Diesel Engine

Stylish Front Grille
Front Bumper
Packed with power.
Respect.
It’s the Polo GT.

When a car comes with power this formidable, it shines. Not to mention, the badge of pride it happily wears on its sleek silver grille. The Polo GT is unlike any hatch in its category. With a 105 PS of raw power, the engine is just a ‘roar’ away from road domination.
## Polo GT

Available in Flash Red, Carbon Steel and Candy White.

*Terms and conditions apply. Details above in italics may differ slightly. Specifications and features are subject to change without prior notice.*
Features

**Exterior**
- Halogen headlights
- Headlamps in black finish
- Dual-beam headlamps
- Galvanised body with 6 years anti-corrosion warranty
- Body-coloured bumpers
- Reflector in rear bumpers
- Windshield in heat insulating glass
- Heat insulating glass for side and rear windows
- Chrome strip in front grille
- Body-coloured outside door handles and mirrors
- R14 steel wheels with full wheel covers
- R15 steel wheels with full wheel covers
- R15 "TOSA" alloy wheels (Set of 4)
- R16 "PORTAGO" alloy wheels (Set of 4)
- Grey wedge at top section of windshield
- Air dam detailing in chrome
- Cornering lights
- Door mirrors with turn indicators

**Interior**
- High quality scratch-resistant dashboard
- 3 grab handles above doors, folding with coat hooks at the rear
- Storage cup holders in both doors extending to luggage space and 6 0.5-litre bottles
- Sunglass holder inside glove box
- Brushed aluminium finish on front centre console
- Front centre console including a charging outlet
- Single folding rear seat backrest
- Luggage compartment cover/parcel tray
- Ambient lights with theatre dimming effect
- Driver side dead pedal
- Chrome interior accents
- Black and grey interior theme
- Seat fabric ‘Desert Beige’ - and dual-tone interior theme
- Seat fabric ‘Splendor’ and leatherette bolster

Specifications and features are subject to change without prior notice.

**Safety**
- Dual front airbags, driver and passenger side
- ABS (Anti-lock Braking System)
- Front disc brakes
- Height-adjustable head restraints, front and rear
- L-shaped rear head restraints
- Electrically operated driver's seat with folding rear
driver seat
- Driver seat in various memory positions
- 3-point front seat belts, rear outer seat belts, lap belt in the middle
- High mounted stop lamp
- Emergency exit
- Anti-pinch power windows
- Touchscreen infotainment system
- CD player
- Bluetooth® connectivity for mobile phones (depending on mobile handset capability)
- Voice Command (depending on mobile handset capability)
- iPOD compatibility
- Phonebook sync
- SMS viewer
- MirrorLink®
- USB, Aux-in, SD card, 4 speakers
- Android Auto™
- Apple CarPlay™
- App Connect

Specifications and features are subject to change without prior notice. *Depends on mobile handset and application compatibility. **Pairing to a Trademarked and Copyright of Car Connectivity Consortium. Requires mobile phone with built-in ‘voice search’ and ‘voice recognition’ feature. Segment is defined as sedans under 4m length. Android Auto ™ & Apple CarPlay ™ Trade name and marks mentioned are owned by respective owners.*
Winning. It’s in our DNA.

At Volkswagen, we always play ahead of the game. From pioneering the world’s finest engineering to the many innovative firsts celebrated by our cars. That includes the outstanding performance of the 1.6L turbo-charged Race Polo at the World Rally Championship, year on year. Drivers Sébastien Ogier and Julien Ingrassia led the car to its third consecutive ‘Manufacturer of the Year’ title in 2015. The car even boasts of snapping the ‘Overall Champion’ title at the 2014 Indian Rally Championship, 1600cc class. Ah, that good feeling.

Specifications and features are subject to change without prior notice.

**Motorsport**
Volkswagen genuine roof edge spoiler
The roof edge spoiler not only looks sportier but is also effective. Its understated sporty look significantly enhances the tail end of the vehicle while simultaneously improving the aerodynamics. It is primed and can be painted to match the vehicle color.

Available Colours:
- Flash Red: Part No. 6RG 071 644 P3G
- Candy White: Part No. 6RG 071 644 B9A
- Carbon Steel Grey: Part No. 6RG 071 644 A9W
- Copper Orange: Part No. 6RG 071 644 A2W
- Deep Black: Part No. 6RG 071 644 C9X

Sports & Design.
Volkswagen genuine sunblind.
There are simply occasions when it is better for the sun to remain outside. For example, when your rear-seat passengers include children or pets. The Volkswagen Genuine sunblind can be used as additional sun protection, as well as for thermal insulation – without impeding traffic safety. It can be used when the windows are closed as well as when they are open. A set for the rear window and rear side windows.

Part No. 6RG 064 365 - Sunblind for the rear side windows and for the rear window (set for 4 doors)

Details.
The special structure of the sunblind provides optimum protection against sunlight and offers thermal insulation.

Volkswagen Genuine Front Armrest With Storage.
While the armrest is conveniently positioned for your comfort, it also comes with a storage space, allowing you to stock up on all your long drive essentials.

Available colours:
- Titanium Black - Part No. 6RF 061 123 XPA
- Desert Beige - Part No. 6RF 061 123 OQF

Volkswagen Genuine Body Side Moulding In Chrome And Black.
Volkswagen Genuine Car Cover.

Chrome: Part No. 6RG 071 328 A
Black: Part No. 6RG 071 328 B

Volkswagen Genuine Mud Flaps.
Protect your own vehicle and the one behind from flying dirt, dangerous stone impacts and spray water with these extremely durable mud flaps. See the attached price list for an overview of all available versions.

Part No. 6RG 075 110 A

Volkswagen Genuine All-weather Floor Mats.
Keep the front seats of your car free from the perfectly fitting, durable rubber floor mats with Pick embossing on the front mats. The perfectly fitting, durable rubber floor mats will keep soil and moisture, but is also considerably lighter and less adhesive than conventional mats. The set is 100% recyclable. The front mats are attached to the vehicle floor using the integrated fastening system to prevent slipping.

Part No. 6RG 061 300 A

Volkswagen Genuine Front Armrest With Storage.
The armrest is conveniently positioned for your comfort, it also comes with a storage space, allowing you to stock up on all your long drive essentials. The self-adhesive inter-coating ensures the optimal positioning of the rear mats.

Black: Part No. 6RG 061 225 041
Beige: Part No. 6RG 061 225 UHS

These non-slip, simply fitted, brushed stainless steel pedal caps astound you with their top-quality design while the non-slip coating ensures a good grip. For manual gear box.

The attractive rear lid protection strip in high-gloss chrome look is not only an attractive eye-catcher, it effectively protects the tailgate edges at the same time. It is easily mounted by simply gluing it onto the bottom edge of the tailgate.

Individual oil protection for the Polo. The high-quality stainless steel oil protectors with Polo lettering do not just protect the heavily used entrance area but are also a neat rim catches.

Knowing what counts.
Our manufacturer expertise.
Our alloy wheels deliver everything that Volkswagen Accessories stands for: ultimate quality, maximum safety and fresh design. There’s hardly a component that bears as much responsibility as the wheel. Both for road safety and the overall vehicle look. Since more and more components where Volkswagen delivers a range you can depend on 100 per cent. In every sense.

Alloy wheels by Volkswagen Accessories are perfectly tailored to suit each individual Volkswagen model. Our developers draw on their longstanding expertise to create the perfect wheel/tire combination - ensuring optimal performance on the road and a high standards Volkswagen places in quality and safety. We focus first on technical adaptability: In addition to the load, we also state the engine type and brake specs are already matched.

Part No. 000 071 215
Volkswagen genuine roof bars
Part No. 6R0 071 126 For 4-door
Well-equipped on the move - thanks to the Volkswagen Accessories roof bar systems. The basis for this are the perfectly fitting, aerodynamically-shaped aluminium profile roof bars to which, for example, surf board, bicycle and snowboard holders or the practical roof boxes can be securely fitted on the roof bars with just a few quick motions.

Volkswagen genuine bicycle carrier
Part No. 6Q0 071 128 A
The aerodynamic bicycle carrier, which is made of UV resistant plastic, is mounted on the roof bars using chromed steel holders. The bicycle automatically slides upright into the self-adjusting wheel receiver, leaving both hands free for fastening.

Volkswagen genuine roof box
Part No. 000 071 200
The roof box with a volume of approx. 340 litres has an optimised aerodynamic design that largely eliminates unpleasant driving noises. The roof box has been adapted to the modern design line of the new Volkswagen models. It opens from one side and is equipped with a two-lock system. Thanks to the comfort sliding fitting system, the box can be securely fastened on the roof bars with just a few quick motions.

Features:
○ UV resistant
○ Easy to maintain
○ Tear resistant
○ Fire retardant
○ No chemical odour

Comfort and Protection.

Transport

The maximum load-bearing capacity is 17 kg.

Roof box, matt black

The honeycomb design adds a more pronounced effect to your seats.

○ 100% microsuede
○ Easy to maintain
○ Tear resistant
○ Fire retardant
○ No chemical odour
Volkswagen Service App

Everything you need to know about Volkswagen. Now on-the-go.

You can get information on standard service labour charges, Volkswagen dealer network and explanation of various indicators on the car’s dashboard. It enables you to get connected with Volkswagen Customer Care and Roadside Assistance at a click of a button. It also facilitates prospective customers to book a test drive and get information on Volkswagen’s indelible up of cars and the latest tips and offers. Furthermore, you can create stories of your journey with maps and pictures. So stay connected.

Volkswagen Service for your peace of mind.

Volkswagen Warranty and Extended Warranty: The Volkswagen Polo comes with a standard warranty of 2 years, unlimited kilometres, and can be extended at an additional cost for a further 1 year up to 80,000 kilometres. Or 2 years and up to 1,00,000 kilometres from the date of sale (whichever is earlier). Extended warranty can be purchased within standard warranty period only. All this, to protect your car against the defects of most mechanical and electrical components due to manufacturing defects. All periodic maintenance at recommended intervals and warranty work must be completed by an authorised Volkswagen dealer.

2-year Paint Warranty and 6-year Anti-perforation Warranty: The paintwork of the Polo is covered against manufacturing defects for a period up to 2 years and the vehicle body parts for a period of 6 years from the date of sale against perforation caused by corrosion. Naturally, the Polo must be cared for in compliance with the servicing instructions, which will be found in your vehicle handbook, and all body repairs must be done at an authorised Volkswagen dealer.

Volkswagen Roadside Assistance: Every new car is registered for Volkswagen India Roadside Assistance for 2 years from its date of sale. This provides the vehicle with home and roadside recovery in the unlikely event of a breakdown anywhere in India (subject to terms and conditions). This service can be extended for one or two additional years. 24x7 Roadside Assistance Helpline: 1800 102 1155 / 1800 419 1155.

Periodic Maintenance: The service interval of your Volkswagen is scheduled for every 15,000 kilometres or one year. With a one-time free inspection at 7,500 kilometres or 6 months, whichever is earlier.

Please note: The features and specifications contained in this brochure are for informational purposes only and are subject to change without prior notice. The print process does not allow for exact reproduction of paint finish and seat upholstery colours. If you require any specific feature, you must consult your authorised Volkswagen dealer, who is regularly updated with any change in specifications. Please check model availability and full specification details with your authorised Volkswagen dealer prior to ordering. We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. Terms and conditions apply.
